

Viewing History

The History tab holds each event or task associated with the Listing. Here we see it was first listed, then we checked for clues. The history shows all tasks whether completed or not. This is a great view to get information for feeding back to the seller about the progress you're making in selling their property.

Touching on the Contact icons is a shortcut taking you to directly to the Contacts page.

The screenshot displays the EstatePad mobile application interface. The top navigation bar is blue and contains a home icon, a user profile icon, and the address '221B Baker Street'. Below the navigation bar are tabs for 'Listing', 'Listing Profile', 'Prospects', and 'History', with the 'History' tab currently selected. A search bar is located below the navigation bar.

The main content area is divided into two columns. The left column lists various properties with their addresses and locations. The right column shows a chronological list of events and tasks for the selected property, '221B Baker Street'.
