

Welcome to EstatePad

Thank you for purchasing EstatePad. To help get you started using EstatePad please read the tips below.

Tip 1: EstatePad works best oriented in landscape mode.

Tip 2: Press the Setting Button at the bottom left. Select the “Agent Settings” and enter your name, email and the website you use to find listings.

Tip 3: If you’ve already got contacts in your Address Book then in the Settings Window select “Import Data” and tick the “Sync with iPad Contacts” box. Now those contacts will be synced with EstatePad the next time you open EstatePad.

Tip 4: If you ever get stuck press the help button on the top left of the screen. There is a quick start guide included in here. If you still can’t answer your question then try the website at www.estatepadapp.com
